

# ...Neuchâtel Fantastic Film Festival

Event Neuchâtel

04 - 12. July 2025

Date

Contact

The Festival has quickly become one of the main film events in Switzerland.

Created in 2000, the Neuchâtel International Fantastic Film Festival (NIFFF) has become in a record time an unmissable cinematographic event, benefiting from a national and international aura, thanks to a prestigious program. This event is mainly dedicated to a specific film genre: fantasy. This main axis is completed by two other complementary themes: digital creation and Asian cinema.
